

Cavatina Figaro
The Barber of Seville, Act I, no. 2
Clarinet in C

Rossini

[31]

p

cresc. a poco

rinf.

f

RINFORZANDO, 'reinforcing', 'strengthening', or increasing in power. This word, or its abbreviations, *rinf.* or *rfz.* is used to denote a sudden and short-lasting crescendo. It is applied generally to a whole phrase however short, and has the same meaning as *sforzando*, which is only applied to single notes. It is sometimes used in concerted music to give a momentary prominence to a subordinate part.
